

Membership Agreement.2017

The mission of the City of New Bedford's Continuum of Care, as articulated through its Homeless Service Provider Network [HSPN], is to advocate on behalf of individuals and families experiencing homelessness by enlisting the cooperation of homeless providers, allied resources and community partners in order to improve the accessibility of existing public resources, maintain statistical data on the homeless population and provide supportive services and empowerment strategies allowing these individuals to be reintegrated into the community through a compassionate Continuum of Care. The HSPN is committed to the concept that each person is entitled to live in dignity.

This signed pledge of commitment to participate in the HSPN and its acceptance by the HSPN Executive Board serves as the basis of membership in the HSPN.

Active membership allows member agencies a voice in the decision-making progress for issues brought before the HSPN including, but not limited to, the identification of homeless needs and the prioritization of projects for the annual Continuum of Care application. Active membership also allows access to federal homelessness funds from the U.S. Department of Housing and Urban Development administered by the City of New Bedford's Department of Planning, Housing & Community Development [DPHCD].

The HSPN meets the third Thursday of every month at the DPHCD's offices located on the second floor of the Anthony S. Catojo Building (Art Museum) at 608 Pleasant Street in downtown New Bedford.
